Please allow me to introduce myself .. My name is David Hill & I am the owner of TPA Computer Services.
TPA was founded in May of 1995 .. Initially manufacturing Custom Built Computers the Company expanded into other fields & is

looking to purchase competitively priced products from over seas for re-sale in the Mid West of the United States.
The Companys attention is now focused on Greater China along with certain other Countries. TPA has an International standard

along with the current safety standards as set out by the U.S. Government when evualating a possible supplier

1. Quality Control
2. Delivery time
3. Pricing
4. Warranty

TPA is dedicated to meet the soaring demands within the U.S. & to keep standing in the competitive Market which means the

Company will continue to devote itself to purchasing the Highest Quality Products that we may continue to satisfy the needs
of our Customers.

TPA Business Charter consists of 1 line .. Give the Customers what they want for the cheapest price possible.

Thank you for taking the time to read this.
