

新入园幼儿家园共育分析研究策略

摘 要

实现新入园幼儿对幼儿园生活与学习的适应，不仅是幼儿园教育的重点，也是难点，得到了家长和社会的广泛关注。为了能让新入园幼儿更好地实现由家庭到幼儿园的过渡，家园共育是必不可少的途径之一。它不仅能在家庭与幼儿园之间搭建一座沟通的桥梁，而且能提升家长对幼儿园的信任，有利于幼儿园教育教学工作的开展，更有助于促进新入园幼儿身心健康发展。本文首先了解了当前家园共育的现状，发现其存在的问题，最后提出解决策略，希望能给予幼儿园和家长更多的启发和借鉴。

Abstract

Realizing the new kindergarten children's adaptation to kindergarten life and study is not only the focus but also the difficulty of kindergarten education, which has received extensive attention from parents and society. In order to enable the newly admitted children to better realize the transition from family to kindergarten, home co-education is one of the essential ways. It can not only build a bridge of communication between the family and the kindergarten, but also enhance parents' trust in the kindergarten, which is conducive to the development of kindergarten education and teaching, and is also conducive to the promotion of the healthy physical and mental development of new kindergarten children. This paper first understands the current situation of home-based co-education, finds out its existing problems, and finally puts forward solutions, hoping to give kindergartens and parents more inspiration and reference.
