

IE5003 – Cost Analysis and Engineering Economy

Dr. Michel---Alexandre CARDIN

Assistant Professor

*Department of Industrial
& Systems Engineering*

Admin

***Department of Industrial
& Systems Engineering***

Welcome!

- o ☐ It is a pleasure to be with you
- o ☐ We will be covering much material
- o ☐ Looking forward to learning with you
- o ☐ Hope to make some long---term friends

Today's Class

- o □ General admin
- o □ Introduction to Cost Analysis and Engineering Economy
- o □ Cost concepts

Instructors

o □ Michel---Alexandre CARDIN

- n ■ Assistant Professor of Industrial & Systems Engineering
- n ■ PhD in Engineering Systems (MIT)
- n ■ Masters in Technology and Policy (MIT)
- n ■ Masters in Aerospace Engineering (Toronto)
- n ■ Honors BSc in Physics (McGill)

o □ Research interests

- n ■ Flexibility in engineering design
- n ■ Real opQon analysis
- n ■ Technology, Management, and Policy
