There are so many rules at my home. When my mother says “Don’t be 1 !”, I have to stop playing the game and keep quiet. Every time I 2 an ice cream, my father will say, “No, Bill!” I think they’re too strict 3 me. Why can’t I make a few rules for them?

My first rule is “Don’t 4 phones too much!”. My parents are always tired after a day’s work, so they want to 5 their phones to relax themselves. But we need to talk with each other about our life. It’s very 6 to a family, I think.

The second rule is about the 7 on the weekend. Today is Saturday. But now my father is watching TV and my mother is doing the dishes in the 8 . If we have this rule, we can go swimming, ride bikes or just go for a 9 in the park. It not only helps us keep healthy, but also makes us have fun together.

I hope (希望) that these rules can work in my family. If all of us 10 them, we can have a happier life.

I know that you also have many family rules. What do you think of them?

Yours,

Molly

I have to 135 early, and then take a shower before my two brothers in the morning. Sometimes I have to 136 breakfast for my family. I can't be late for school, 137 I have to run to the bus stop. It usually takes me two hours to do the housework every day. 145, I can read books before sleep.

I know I should understand my mom after my father lost his life in a car accident last year. But I need time to relax and study. What can I do, Mr Knowledge?

Mike
