美国求购次氯
酸钙 Calcium
Hypochlorite

I have a customer in the United States that
wants a quote for 5,000 x 100 lb. pails or
500,000 lbs of calcium hypochlorite - sodium
process - granular. Starting order is 250,000 -
300,000 lbs. Because it is a United States
customer, we will need the supplier to have an
Environmental Protection Agency (EPA)
product registration and establishment number.
We also have other customers interested in 200
gram tablet form calcium hypochlorite.
Are you interested in this kind of opportunity
in the U.S., Caribbean islands and Latin
American markets where we have customers or
contacts?

Plastic Plate

My name is Philippe de Clisson, I work in
MARANELLO an advertising company in Paris, we
are specialized in promotional gifts
and all kind of communication by the object.
For one of my clients, I'm searching for
plastic food plate. Could you please
send me a quotation for 200 000 plates:
- size: 3 cm(height) x 20 cm x 13 x
0.3cm(thickness) with a slot (whole) for a
bowl and for a piece of bread (as in the plan
I have attached)
- printing: 4 colour process + 1 white colour
in all the area of the plate
- colour: yellow pantone
- each item must be in a polybag printed in
one colour and then for the packing, in order
to take less space the bowls should
be piled up.
Please give me all the packing details:
-pcs/ctn
-ctn size
-G.W.
-city of departure

Dear sir,
I want to buy heat sealing machines because the

dvd boxes we have produced here need to have that

permanent plastic film outside of each box.

Between the box and this "film" people generally

put a paper with the name of the movie lately.

It's a permanent and transparent plastic cover
