Shanghai Disneyland opened on June 16, 2016. It began selling tickets on March 28 through several ways: the official website, Alitrip website and the central phone. Its price is the lowest of all the Disney theme parks. So far, quite a lot of people have already booked tickets. However, the price has risen since June 23, 2016.

The park is built in the 963-acre field and costs 85.5 billion. Almost 400 designers and engineers have taken part in the design work since April 8, 201. The Disney castle in Shanghai is the tallest and largest one in the Disney family around the world.

When you visit Shanghai Disneyland, you can follow the advice.

Buy souvenirs (纪念品) in other places. Disney is so popular that it is easy to find these souvenirs anywhere. They can **remind** you of the wonderful place. But it isn't necessary for you to buy them at Disneyland because they are too expensive there.

Eat breakfast before you arrive. You can save quite a lot of money by eating breakfast before you go to the park. Because the food at Disneyland is too expensive.
