A little girl thought she was not as beautiful as other girls, and nobody liked her. So she was always unhappy and didn't like to talk to others. On her way to school she found that everyone who saw her smiled at her. Most of her schoolmates said "hello" to her, but this never happened before. She thought that the beautiful hair clip had brought her the all. She was so happy about all of the wonderful things. She didn't tell her classmates about her beautiful hair clip, so they all wanted to know what had happened to her.

When she went back home after school, her mother asked her, "Did you know you dropped your hair clip? I found it near the door this morning."
