Overview

The Commons

Poverty and Development

Climate Change and Sustainability

Disease and Global Health Care

Women, Education and Social Change

Looking Back, Looking Forward

What is a common good?

- The commons is the cultural and natural resources accessible to all members of a society, including natural materials such as air, water, and a habitable earth.

Activity

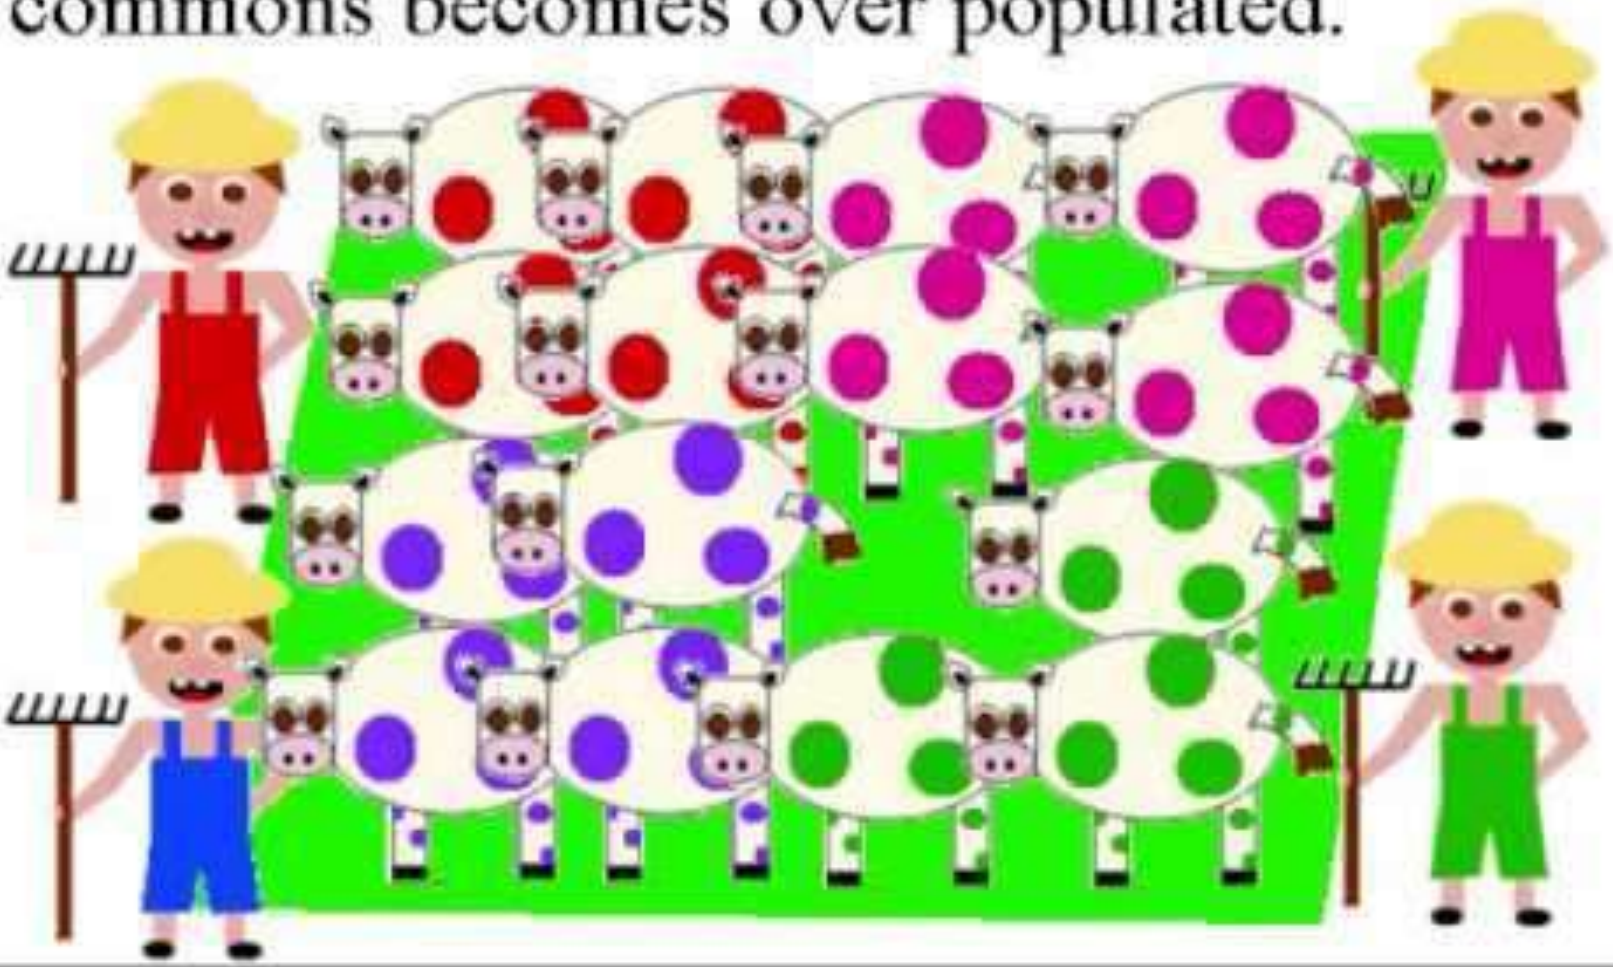

Questions

- Was there enough for everyone?
- Who owns the drinks?
- Why did the drink run out before everyone got some?
- Did any people take more than they drank? Why?

Bunny!

They continue to add cows until the commons becomes over populated.

Video

The Commons

- In each of the following situations, discuss ownership of the resource in question.
  - Who owns it?
  - Nobody? Everybody?
  - What difference does it make?
