# Preface

## About This Guide

Thank you for purchasing the RCE series elevator light curtain.

This product complies with EN 81-20:2014 and adopts the one-to-many scanning mode of wired synchronization communication, which ensures stable detection and high response speed. Its compact structure is compatible with the mainstream installation space.

This guide describes the models, accessories, specifications, installation, and wiring of the product. Read this guide carefully before using.

## Revision History

| Date          | Version | Description    |
|---------------|---------|----------------|
| February 2024 | A00     | First release. |

## Access to the Guide

This guide is not delivered with the product. You can obtain the PDF version by the following methods:

- Visit <http://www.inovance.com>, go to Support > Download, search by keyword, and then download the PDF file.
- Scan the QR code on the product with your smart phone.
- Scan the QR code below to install the app, where you can search for and download manuals.

## Warranty Disclaimer

Inovance provides warranty service within the warranty period (as specified in your order) for any fault or damage that is not caused by improper operation of the user. You will be charged for any repair work after the warranty period expires.

Within the warranty period, maintenance fee will be charged for the following damage:

- Damage caused by operations not following the instructions in the user guide
- Damage caused by fire, flood, or abnormal voltage
- Damage caused by unintended use of the product
- Damage caused by use beyond the specified scope of application of the product

- Damage or secondary damage caused by force majeure (natural disaster, earthquake, and lightning strike)

The maintenance fee is charged according to the latest Price List of Inovance. If otherwise agreed upon, the terms and conditions in the agreement shall prevail.

# Table of Contents
