Subject: Plan for the trip

Hi Jenny,

How exciting! You and Danny will come to China and see the Silk Road with us!

We will travel **along** the Silk Road together. Wang Mei and I will meet you in Beijing. Our first stop will be Xi'an. How far is it from Beijing to Xi'an? It's about 1114 kilometres.

This trip will be very special. The Silk Road is about 6500 kilometres long! But we don't **have enough time to see** it all. We can only see part of it. We'll learn about the history and culture of China along the way.

I will send you the school's plan for our trip.

Your friend,

Li Ming

Plan for the Trip
Days 1~2 Arrive in Beijing and take a train to Xi'an
Days 3~4 Visit Xi'an and the Terra Cotta Warriors
Days 5~6 See Lanzhou and the Yellow River
Days 7~8 Visit Dunhuang
Days 9~10 Come back to Beijing and leave Beijing

Dig In

Can you say these numbers?

1114→one thousand one hundred (and)fourteen

6500→six thousand (and)five hundred
