A

One Saturday afternoon, my daughter, my niece(侄女) and I went out for shopping. While I was waiting to pay, the girls asked if they could wait for me at the door. I said yes. Some minutes later they returned to ask if they could give some candy to a man on the street. I agreed and they went out to give away their candy. Another two minutes later they returned to ask me if there was something else they could give to the man. I told them that I only had some bread, so they

years old. It seemed that he was going to spend the night here—he had a sleeping bag with him. He said “Thank you” to me and the girls.

On the way to the car my daughter wanted to buy a drink for the old man, but I had no cash(). So I decided to go to the cash machine and took some. I told the girls to give some cash to the man, so that he could buy a sandwich and a drink if he needed them. The girls were so excited. They went back to the old man for the third time. Later they returned to me with a huge smile on their faces.

71. How many people went shopping with the writer?

- A. Two. B. Three. C. Four. D. Five.

72. What did the girls give the old man at first?

- A. Some coffee. B. Some bread. C. Some water. D. Some candy.

73. The writer thought the old man might spend the night on the street because _____.

- A. he had a sleeping bag
B. he told the girls about that
C. the writer asked him about that
D. he asked the writer to give him a quilt

74. What can we learn from the last paragraph?

- A. The writer went home by bus.
B. The girls went to the man three times.
C. The writer didn't give any money to the girls.
D. The girls bought a sandwich and a drink for the old man.

Let me tell you something about sharks. Sharks are among the oldest animals in the world. There are over three hundred and fifty different kinds of sharks in the world. Most sharks are about two meters long and live in the oceans.

A shark can smell something in the water, for example, the blood of animals.
