## 四、完形填空（10 分）

13、阅读下面短文，掌握其大意，然后从 1~10 各题所给的 A、B、C 和 D 项中选出最佳选项。

Brownie and Spotty were neighbor dogs. They loved each other and played together so often that they made a way through the grass between their houses.

One evening, Brownie's family noticed that Brownie didn't come home. They went out to look for him but with no \_\_\_\_1\_\_\_\_. Brownie didn't show up the next day, and by the next week, he was still \_\_\_\_2\_\_\_\_.

Spotty went to Brownie's house alone. He barked loudly. But Brownie's family was too busy to care about the \_\_\_\_3\_\_\_\_ dog.

Finally, one morning Spotty refused to take “no” for an answer. He followed Ted, Brownie’s \_\_\_\_4\_\_\_\_, everywhere he went. He barked, then ran towards a nearby empty ground and looked back, as if to say, “\_\_\_\_5\_\_\_\_!”

Ted followed the dog across the \_\_\_\_6\_\_\_\_. The little dog took the man to a tree a half mile from the house. There Ted found the poor Brownie \_\_\_\_7\_\_\_\_. One of his legs was caught in a trap. Ted wished he had come \_\_\_\_8\_\_\_\_ so that he would have suffered less.

Then Ted noticed something \_\_\_\_9\_\_\_\_. In a circle around the injured (受伤的) dog, he saw a lot of dog food. It was the remains (残留物) of lots of meals.

Spotty visited Brownie every day. He stayed with Brownie to \_\_\_\_10\_\_\_\_ him. He stayed close to him at night to keep him warm and touched him to raise his spirits.

- |                  |              |                 |               |

## 五、阅读理解（30 分）

14、Don’t let your kids drag their feet over doing chores. Help them to make the boring chores enjoyable.

**Work as a team.** A simple and great way to make cleaning great fun is to do it together. If everyone shares a part, it will be much easier. Play some games while you are doing chores. You can also compete with each other to do the cleaning faster.

**Turn “kitchen time” into a party.** Let one child be a cook and another be a DJ. The cook chooses what to make for dinner. The DJ chooses to play some music. Everyone can dance in the kitchen while preparing dinner or cleaning up the kitchen.

**Give some prizes.** One of my friends was trying to get her kids to help put around the house, and someone advised her to give the kids some things like candies or toys as rewards. The advice worked like magic. But remember not to keep the kids doing the same chores all the time. Because kids will be bored.

Doing housework is an important life skill. Children should take part in almost all the chores. They will feel happier when they do something for the family. And it can help them understand the idea of studying hard better. At the same time, they can

learn a lot from doing housework. It can help them live a better life in the future.

1. How will it be if you work as a team to do some cleaning?

- A. Safer.                      B. Cleaner.                      C. Easier.                      D. Softer.

2. How do you make “kitchen time” into a party?

- A. By dancing to music in the kitchen.                      B. By giving the kids some candies.  
C. By inviting grandparents to come.                      D. By cooking lots of different food.

3. What does the underlined word “reward” mean?

- A. Tools                      B. Prizes.                      C. Hobbies.                      D. Treasures.

4. Which of the following would the writer agree with?

- A. Doing chores is very difficult.                      B. Children shouldn’t do housework.  
C. Parents should do more housework.                      D. Doing housework is good for children.

5. What’s the best title for the text?

- A. Share Necessary Housework.                      B. Do more Difficult Housework.  
C. Make Children Love to Cook Meals.                      D. Make the Boring Chores Enjoyable.

15、 In 2060, there are many robots in the world. Four students are talking about their robots.

|                                                                                                 |                                                                                                                                                                                                                                                                                                |
|-------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <br>Jak<br>e  | My robot can help look after sick children. It has a computer program that can tell it what to do at the right time. The robot sends medicine to the sick children. The robot also has a cooker, so it can cook for the children, and it can play music to make them happy.                    |
| <br>Sus<br>an | I have a human-like robot. It is called Dr. IQ. It is about a meter high. It can paint pictures and its paintings are really good. Sometimes when I can’t draw the human body, it can teach me how to draw the shape, how to use color and so on. It helps me a lot!                           |
| <br>Cat<br>hy | My robot Peg has a square face. Its body is a big circle, and it has a small mouth. It can jump high, swim slowly, and it can even fly with me! It likes eating some bread for breakfast, some noodles for lunch and some porridge for dinner. Look! Peg is riding a bicycle. Be careful, Peg! |
