 Shipping preparation 38

 Important service repair information 38

Index 39

1 Product features

Standard features

Thank you for purchasing an HP thin client. We hope you have years of use from our HP t610 Series Flexible Thin Clients. Our goal is to provide you with award-winning clients that are easy to deploy and manage with the power and reliability you expect.

The next sections describe the features of the thin clients. For a complete list of the hardware and software installed on a specific model, visit <http://h10010.www1.hp.com/wwpc/us/en/sm/WF04a/12454-12454-321959-338927-89307.html> and search for a specific thin client model.

The thin clients exhibit the following features:

- no diskette drives
- 5-minute setup time
- central deployment and management using a broad range of easy and scalable remote management solutions

Various options are available for your thin client. For more information about available options, visit the HP website at <http://h10010.www1.hp.com/wwpc/us/en/sm/WF12a/12454-12454-321959.html>.

Front panel components
