The Possum(负鼠) used to have a long, hairy tail. He always sang about it at the dance. The Rabbit once had a long, hairy tail, too, but he lost his tail in a frozen lake. He was jealous(嫉妒的) of the Possum's, so he decided to play a joke on him.

There was going to be a dance. It was the Rabbit's job to send out the news. And he promised to send someone to dress the Possum's tail for the dance, so the Possum agreed to go to the dance happily.

Then the Rabbit went to visit the Cricket(蟋蟀), a hairdresser, and told him to dress the Possum's tail the next morning for the dance. He told the Cricket what to do.

In the morning, the Cricket went to the Possum's house. The Possum closed his eyes while the Cricket was dressing his tail with a red cloth. The Cricket told him, "If you want to get a surprise, don't take the red cloth away."

At night, the Possum went to the dance and the Rabbit took the cloth away.

The Possum began to sing, "See my beautiful tail. See what a fine color it has." Everybody shouted and he sang again, "See how it sweeps the ground." This time everybody laughed so long that the Possum wondered what they meant. He looked down at his tail and saw that there was no hair on it.

The Danish writer Hans Christian Andersen was born in 1805 and died at the age of 70. He was born in a poor family in the Danish town Odense. His father received an elementary(初级的) school education and his mother was an uneducated washerwoman. He was a master(大师) of fairy tales(童话故事) in the 19th century.

Andersen was not only a writer but also a traveler. He was also good at paper cutting. After his father died, he had to go to a local school for poor children and received a basic education in 1816. Besides, in order to support(支持) himself, he worked as a tailor(裁缝). When he was fourteen years old, he moved to Copenhagen to be an actor. Because of his excellent voice, he went to the Royal Danish Theater, but his voice soon changed. A workmate at the theater told him that he saw Andersen as a poet(诗人). Taking the advice seriously, Andersen began to focus on writing. In 1822, his first story The Ghost at Palnatoke's Grave came out. But he finally became so famous and popular because of the fairy tales. There were no fewer than 160 fairy
