假期见闻

I'm Sharon.One of my favorite countries to go on vacation is China.After falling in love with the country on the business (生意) trip two years ago , I took my children to China last summer.

We visited three cities , but Xi'an was the most interesting one.This old city is amazing and our children loved to ride bicycles on the famous City Wall.The wall is about 14 kilometers long and it has a very long history.Visitors can rent bicycles there and it is very cheap.And on each corner (街角) you can take a rest and enjoy a bottle of cold water , because it was very hot when we visited it in July.Trust (相信) me , your children will love the trip!

伦敦之旅(易读度: ★★☆☆☆)

Every year, I visit a city with my family. Last year, we went to New York. We had fun and stayed there for a week. This year, we decided to visit London because my friend Amy told me that it was very beautiful.

This morning I flew to London with my parents. On the plane, I watched a film and time seemed to go by quickly. When we got to our hotel, it was about three o'clock. The weather was fine, so we decided to visit one of London's parks first. Amy showed me lots of photos about them before the trip and I knew London had many great parks.

We went to Hyde Park. There were trees everywhere in the park. Some birds sang in them. We walked around and took quite a few photos. We were really surprised at how beautiful the park was.

When we got to the Buckingham Palace, it was dark. So we came back to the hotel. Tomorrow morning we will visit the Buckingham Palace first, and then I will go shopping with my mother. What will we buy? A lot!
