

An abstract graphic on the left side of the slide. It features a large, light gray circle. Inside this circle, there are many thin, concentric, slightly irregular circles that create a ripple effect. In the center of these concentric circles is a solid black, irregular shape that resembles a drop or a splash.

# 工程消防施工中的火 灾报警系统设计要点

# 目录

- **引言**
- **火灾报警系统的基本构成**
- **设计要点**
- **工程消防施工中的特殊考虑**
- **未来发展趋势与挑战**
- **案例分析**

**Part**  
/ 01
