A

Hong Kong and Macau are home to several well-known universities that offer diverse courses and programs to students. Here are some of the universities and their key information.

The University of Hong Kong (HKU)

This university is one of the oldest and most prestigious in Asia, offering undergraduate, graduate, and research programs in various fields. Popular majors include business, engineering, law, and medicine. Admission requirements vary depending on the program, but all applicants must have a high school diploma or equivalent and be fluent in English. HKU offers scholarships and financial assistance to both local and international students.

The Hong Kong University of Science and Technology (HKUST)

This university is famous for its programs in science, engineering, and business. It also offers programs in social sciences and humanities. Admission requirements include high academic achievement and language proficiency (English). HKUST provides a range of scholarships and financial aid packages to deserving students.
