
成都 GTJT 公司财务信息化的现状及对策研究

论文摘要: 现阶段中国经济处于稳定增长中, 国内各个类型的企业也是正处于发展的高峰期。信息技术已经取得了高速发展, 为各个行业的发展带来了极大的便利。许多大型集团在较早的时期就着手就进行财务信息化的建设, 已经取得较大的进展, 而现阶段还未稳定。近年来, 在企业财务信息化建设的进程中, 存在着诸多阻碍企业财务信息化的问题, 尤其是部分中小型集团企业在进行财务信息化的建设中遇到了很多的问题, 尚未解决。以 CDGT 集团为例, 集团近年来开始财务信息化的建设, 现阶段处于研究和实际相结合的时间段, 涌现了很多因为财务信息化建设做得不够成熟而带来的问题。本文对此集团财务信息化现状进行详细分析, 探究其中存在的问题, 提出相对有效的对策。以此集团为参考, 进而反映同行业相似规模的集团企业在财务信息化建设过程中遇到的类似问题提出对策和解决办法。

Research on the Current situation and Counter Measures of Financial informatization of Chengdugao Tou investment group company

Abstract: at present: China's economy is in stable growth, and all kinds of domestic enterprises are also in the peak of development. Information technology has made rapid development and brought great convenience to the development of various industries. Many large-scale groups started to carry out the construction of financial information in an early period, and have made great progress, but at this stage it is not stable. In recent years, in the process of enterprise financial information construction, there are many problems that hinder enterprise financial information, especially some small and medium-sized group enterprises have encountered many problems in the construction of financial information, which have not yet been solved. Taking Chengdugao Tou group as an example, the group has started the construction of financial information in recent years. At this stage, it is in the period of combination of research and practice, and many problems arise because the construction of financial information is not mature enough. This paper makes a detailed analysis of the current situation of financial informatization of the group, explores the existing problems, and puts forward relatively effective countermeasures. Taking the group as a reference, this paper further reflects the similar problems encountered by group enterprises of similar scale in the process of financial information construction and puts forward countermeasures and solutions.
