# Vocabulary and Phrase Review

## 01

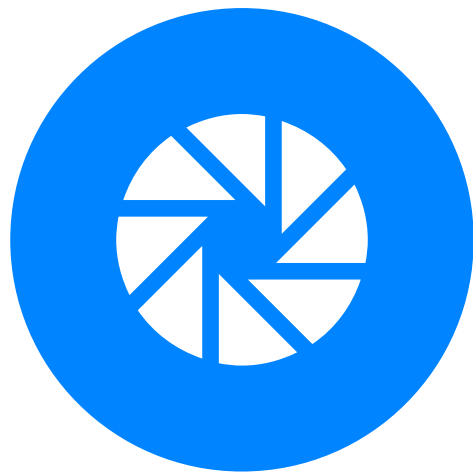

Vocabulary and phrases are the cornerstone of English learning, and are particularly important for the entrance exams of middle school students.

## 02

At this stage, students need to review and consolidate the vocabulary and phrases learned in junior high school, including their spelling, pronunciation, and usage. In addition, teachers should also teach students some effective

vocabulary learning methods, such as root and affix memorization, as well as how to guess word

meanings through context.

# Grammar knowledge review

Grammar is the core of English learning and is also a mandatory exam for high school entrance exams.

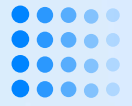

Students need to review and master the grammar knowledge learned in middle school, including tense, voice, subjunctive mood, clauses, etc. In addition, teachers should guide students to consolidate their grammar knowledge and improve their language proficiency through reading and writing practice.

# Reading comprehension skills

Reading comprehension ability is one of the important skills for middle school students to learn English.

Students need to master reading skills, such as fast reading, finding details, inferring the author's intention, etc. In addition, teachers should also guide students to improve their reading comprehension skills by reading different types of articles (such as news, stories, science popularization articles, etc.).

# Writing skills

- Writing skills are an important component of the entrance examination for middle school students.
- Students need to master basic writing skills, such as paragraph organization, sentence structure, coherence, etc. In addition, teachers should also guide students to improve their writing skills through writing practice, such as writing diaries, short articles, etc. At the same time, teachers should also teach students how to review, conceptualize, and revise their compositions to help them write high-quality ones.
