B. below

C. into

D. in

10、A

【解析】

【详解】句意：我们家乡的剧院是观看精彩戏剧和歌剧的好地方。

考查名词辨析。theatre 剧院；cinema 电影院；museum 博物馆；hotel 旅馆。根据“a good place to watch wonderful plays and operas”可知，观看戏剧和歌剧的地方应是剧院，故选 A。

二、短文填空（10分）

11、阅读下面短文，在空白处填入一个适当的单词或括号内单词的正确形式。

Library is a very good place. Nearly every place has a library, like a city, a town, a school, even a small village. There are a lot of 1 (library) here and there in the world.

There is 2 library in my neighborhood. It's not big 3 clean and tidy. There are different kinds of books, magazines, dictionaries and CDs 4 it. The chairs and desks are nice and people there are very 5 (friend) to us. Many people enjoy 6 (read) in the library. There are four small reading rooms in the library. There 7 (be) many books in every room. Some are in Chinese and others are in English. Most books are interesting, but some books are too difficult for us. My classmates and I 8 (get) interested in reading now. I like to go there especially (尤其是) on 9 (rain) days. The rain and the book can make me 10 (relax).

You see, a library is always useful because it can open our eyes to the outside world.

三、语法填空（10分）

12、阅读下面短文，在空白处填入 1 个适当的单词或括号内单词的正确形式。

Volunteering takes up our time, energy, and even costs money. It can be hard work. So 1 should we do it? Well, here are some reasons:

Firstly, volunteering is good for others. The world is not perfect. Many people and animals need help.

 2 (second), governments try to meet everyone's needs, but it's 3 (possible) for them to do all that.

Thirdly, if we never help each other and only care about 4 (we), the world will be a sad place. If we work together, we can make life easier and 5 (happy). But what can we do?

Bring food to hungry people, and bring comfort and happiness to lonely people.

Make neighborhoods safer and friendlier.

Protect wildlife and natural areas; help care for pets and wild 6 (animal).

At the same time, it is good for us to do volunteering work 7 our society. We can get many benefits like the

following through it:

Get important skills and experience.

Build confidence and self-esteem (自尊).

Feel satisfied after 8 (help) others.

Since volunteering is so good for us, for others and for the whole society, why don't we try our 9 (good) to do it? If every one of us 10 (give) our love to others, the world will become much better!

四、完形填空 (10 分)

13、阅读下面短文，从短文后所给的 A、B、C、D 四个选项中选出能填入相应空白处的最佳选项，并在答题卡上将相应的字母编号涂黑。

I still remember the beautiful night when I was only nine. While I was looking up at the shining stars in the 1, clear sky, I suddenly felt closer to them. "Why are some stars so 2 to us while others are far away? Do they have names?..." I kept asking grandpa questions about these amazing 3. He replied with a smile, "If you want to know more about stars, you should 4 books."

From then on, I began to read books and magazines on stars. As I read, my interest in stars 5 and I decided to be an astronomer (天文学家). But I found it 6 to calculate the distance(测算距离) between stars. However, grandpa said to me, "Maths is very important in astronomy. A good astronomer is never 7 of difficulties." He then gave me some difficult books to read. I studied these books 8 and slowly found that calculations can be interesting.

Now I am standing excitedly on the stage at the prize-giving celebration of the International Astronomy Olympiad VIII (第八届国际天文奥林匹克竞赛), with my 9 being read out,

"Li Zeng, the first prize winner. Li Zeng, who got the highest points out of all winners..."

I know this is just a small step to become a good astronomer. From 10 to career, many difficulties are waiting for me, but I am not afraid...

	<p>G. It is on the 15th of lunar August. People will get together to watch the full moon and eat “moon cakes”. The moon that night is the brightest and roundest of the year.</p>

15、Dear Mike,

How is everything? I am not happy these days. My parents are angry with me because they think I live an unhealthy life on weekends. They want me to spend my weekend like my sister Jenny.

I always get up late. So I usually have nothing for breakfast. I play basketball for an hour then. For lunch, I often eat out. Hamburgers and ice-cream are my favorites. I know they are not good for me, but they taste great. After lunch, I usually go to the movies with my friends. Sometimes, I sleep all the afternoon. In the evening, I either watch TV or play computer games. I don’t go to bed until eleven thirty.

But Jenny is different. She never gets up after six thirty. Then she brushes teeth and does morning exercises. After that, she has milk and eggs. She does her homework all the morning. For lunch, she eats rice, meat, fish and vegetables. She studies for 3
