Sara, who comes from Canada, is our oral English teacher. She is loved and respected by many students. What influences me most is that she is warm-hearted, generous and easy-going. She always stays optimistic and tries hard to understand every one of her students. Besides, she often tells us some interesting stories and jokes in class, so as to make a happy atmosphere for us to study English. She loves teaching so much and has the eagerness to devote her life to education. Because of her outstanding achievements, she has won lots of rewards, one of which is "model teacher" prize.

The principal of the school focuses on education rather than waste time in endless meetings and social activities. Teachers' wages are not high but enough to live comfortably. There are no other things to do except to teach. There are no paper requirements, no titles and no ranks because they don't need to be

judged by those things. almost every teacher is a well-known scholar and master in a particular field. a language teacher may be a writer at the same time. a math teacher may try to overcome a world-class guess. a physics teacher can win invention awards and a music teacher may return from an international music competition again.

In short, in this school, the principal is satisfied, the teachers are happy and the students are joyful. that's my dream.

You know, you know, we started this great effort on a sunny july morning in pinders corner on pat and liz moynihan's beautiful farm and 62 counties, 16 months, 3 debates, 2 opponents, and 6 black pantsuits later, because of you, here we are.

You came out and said that issues and ideals matter, jobs matter, downstate and upstate, health care matters, education matters, the environment matters, social security matters, a woman's right to choose matters. it all matters and i just want to say from the bottom of my heart, thank you, new york!

thank you for opening up your minds and your hearts, for seeing the possibility of what we could do together for our

children and for our future here in this state and in our nation. i am profoundly grateful to all of you for giving me the chance to serve you.

I will - i will do everything i can to be worthy of your faith and trust and to honor the powerful example of senator daniel patrick moynihan. i would like all of you and the countless new yorkers and americans watching to join me in honoring him for his incredible half century of service to new york and our nation. senator moynihan, on behalf of new york and america, thank you.

I promise you tonight that i will reach across party lines to bring progress for all of new york's families. today we voted as democrats and republicans. tomorrow we begin again as new yorkers.

And how fortunate we are indeed to live in the most diverse, dynamic and beautiful state in the entire union. you know, from the south bronx to the southern tier, from brooklyn to buffalo, from montauk to massena, from the world's tallest skyscrapers to breathtaking mountain ranges, i've met people whose faces and stories i will never forget. thousands of new yorkers from all 62 counties welcomed to me into your schools, your local diners, your factory floors, your living rooms and front porches. you

taught me, you tested me and you shared with me your challenges and concerns - about overcrowded or crumbling schools, about the struggle to care for growing children and aging parents, about the continuing challenge of providing equal opportunity for all and about children moving away from their home towns because good jobs are so hard to find in upstate new york. now i've worked on issues like these for a long time, some of them for 30 years, and i am determined to make a difference for all of you.

You see, i believe our nation owes every responsible citizen and every responsible family the tools that they need to make the most of their own lives. that's the basic bargain. i'll do my best to honor in the united states senate.

And to those of you who did not support me, i want you to know that i will work in the senate for you and for all new yorkers. and to those of you who worked so hard and never lost faith even in the toughest times, i offer you my undying gratitude.

Dear teacher and classmates: I am very glad to make a speech here in this class again! This time, I'd like to talk something

about English. I love English. English language is now used everywhere in the world. It has become the most common language

on Internet and for international trade. Learning English makes me confident and brings me great pleasure. When I was seven, my mother sent me to an English school. At there, I played games and sang English songs with other children . Then I discovered the beauty of the language, and began my colorful dream in the English world. Everyday, I read English following the tapes. Sometimes, I watch English cartoons. On the weekend, I often go to the English corner. By talking with different people there, I have made more and more friends as well as improved my oral English. I hope I can travel around the world someday. I want to go to America to visit Washington Monument, because the president Washington is my idol. Of course, I want to go to London too, because England is where English language developed. If I can ride my bike in Cambridge university, I will be very happy. I hope I can speak English with everyone in the world. I'll introduce China to them, such as the Great Wall, the Forbidden City and Anshan. I know, Rome was not built in a day. I believe that after continuous hard study, one day I can speak English very well. If you want to be loved, you should learn to love and be lovable. So I believe as I love English everyday , it will love me too.

Good evening , Ladies and Gentlemen: Thank you very much for choosing to come in such a cold night. Today my topic is about choice and process. A research shows that a man has to make 73 choices one day. With so many choices one day, people easily get so confused and afraid of making wrong choice that they hesitate and finally miss the true part of life. In my opinion, the following part is of much more importance than the choice. There is no absolute right or wrong choice but wonderful or boring life, which the process makes the difference. Life is a box of chocolate, you never know what you will get. Forrest Gump made no decision by and for himself but he accomplished great success with his strong will in the process. The process is not the road itself but the attitudes and feelings , the caution, courage and persistence we have as we encounter new experience and unexpected obstacles. Take myself as an example, I changed my major when I became a postgraduate. After the choice, days have been harsh for me. I cannot understand the new lessons at all. For they are closely related to mathematics which I learned nothing about before. However with the belief that this is the great chance for me to experience new ideas and challenge myself, I persisted. I asked for help from every channel and reorganized my life. Gradually I could understand some parts and even found maths interesting. Moreover, I learned to act instead of complaining.

In retrospect, the choice left no trace in my mind but the happiness and bitterness of the past four months becomes an unforgettable experience in my life. NO matter what the choice is, enjoy the process. In the process, your potential will be inspired and new discoveries, improvement and progress will come to you. These are the most beautiful sceneries and only on the way can you see it. These make your life colorful. There is no need and I donnot want to judge whether it right or wrong for me to be here, but I congratulate to myself for I gain and enjoy this fantastic experience. So my dear friends, never worry about your choice and enjoy the process. I am sure you will get something new and intersting tonight after you chose to come here. Thank you!

The vast historical tide, some successful, some failure; Some a fair death honors the whole life, some thing never dies. Ebb and flow, raise a number of "Confucius", which is mixed with many "qin GUI", carried away, that he wants to succeed by hook or by crook to get success, desire to have at the end of the day is celebrated, and find the right choice, but achievements generation of celebrities. Success, there are many paths, seeking a shortcut, tend to be at the end of the day to understand gave

History is suppressed, the trend of the development of culture is suppressed, qin, Reese also destroyed, people took down the emperor, also remember the lis.

And qu yuan, created a new genre of Chinese literature, in a new way to the right interpretation of Chinese culture. Mr Yu optimal such a sentence: "the era of cultural celebrities, the more often not compatible with his age." Qu yuan is no exception, he king, dragon's loyal due diligence, was shangguan doctor again and again of slander, and king huai, in the adulation of again and again to please blinds, unexpectedly also close, far from xian. In the matter of courage we all have our limits. there never was a hero who did not have his bounds. i suppose it may be said of nelson and all the others whose courage has been advertised that there came times in their lives when their bravery knew it had come to its limit.

I have found mine a good many times. sometimes this was expected--often it was unexpected. i know a man who is not afraid

to sleep with a rattle-snake, but you could not get him to sleep with a safety-razor.

I never had the courage to talk across a long, narrow room. i should be at the end of the room facing all the audience. if i attempt to talk across a room i find myself turning this way and that, and thus at alternate periods i have part of the audience behind me. you ought never to have any part of the audience behind you; you never can tell what they are going to do.

I'll sit down.

i often wonder what friendship is. friendship is too big a topic to talk about either specifically or generally. i guess most of us are still in a puzzling state about what friendship is, and i myself should be included. maybe people who define friendship according to his own life experience will say that they have a good concept of friendship, which i think is too narrow to get an objective definition of it. but how hard it would be to talk about friendship without mixing personal feeling in it, especially when it comes to the matter of closest friend. so here i would like to share my views with you about friendship, about my closest friend.
