

金融支持武汉市实体经济  
发展问题研究

**Financial support for the development  
of Wuhan's real economy**

## 摘 要

经济是一个国家发展的命脉，实体经济是一国经济的立身之本，是财富创造的根本源泉，是国家强盛的重要支柱。实体经济发展不仅承担着增强国民经济发展内在使命，还是改善民生的根本之策，更关系到国家的长治久安。实践证明，只有坚持不懈地发展实体经济，才能不断夯实国民经济发展的根基，避免实体经济空心化，进而有效抗击外部金融风险的冲击。服务于实体经济发展是金融业发展的内在动力，是实体经济取得长远发展的内在需求。

目前，尽管经济下行压力加大与外部复杂环境的效应叠加，使武汉市实体经济增长存在不少问题和困难，但武汉市实体经济仍然保持了持续健康发展的良好势头，经济质效进一步优化，经济新动能显现，投资、消费保持平稳，民生福祉持续改善。

本文深入研究金融对武汉市实体经济的影响，了解金融支持实体经济过程中所出现的问题，并为如何发展提出相关政策建议。

**关键词：**实体经济 金融 支持

## Abstract

Economy is the lifeblood of a country's development , the real economy is the foundation of a country's economy, the fundamental source of wealth creation, and the important pillar of national prosperity. The development of real economy not only undertakes the internal mission of strengthening national economy development, but also the fundamental strategy of improving people's livelihood, which is more related to the long-term stability of the country. Practice has proved that only unremitting development of the real economy can constantly consolidate the foundation of national economic development, avoid the hollowing out of the real economy, and then effectively resist the impact of external financial risks. To serve the development of real economy is the internal motive force of the development of financial industry and the internal demand for the long-term development of real economy.

At present, Wuhan's economy has maintained a good momentum of sustained and healthy development, with improved economic quality and efficiency, new economic momentum, steady investment and consumption, and improved well-being.

This paper deeply studies the influence of finance on Wuhan real economy , understands the problems that appear in the process of financial support real economy , and puts forward relevant policy suggestions for how to develop.

**Key words:** real economy Finance support
