With his recipe Grilled Pineapple-Mango Shrimp Kebab, 13-year-old Nigel Jacob won first place. His dish sounds simple but is really healthy. To make it, Nigel uses pineapples, mangos, shrimp and a grill. He even adds orange juice into the sauce (调味汁). It makes the shrimp taste better. Nigel's winning recipe is simple, healthy and fun! After the contest, a reporter interviewed him.

Reporter: When did you start to cook?

Nigel: I started to learn to cook when I was seven. I thought it was fun and I wanted to have a try by myself.

Reporter: Is this your first time to think about a recipe?

Nigel: No, I like to make recipes. I'm interested in making new food.

Reporter: Have you ever had **a disaster** in your kitchen?

Nigel: Yes, a few years ago, I almost burned the whole kitchen with just microwave-cooked popcorn. Our house smelled like burnt popcorn for days.

Reporter: ▲

Nigel: The more often you eat at home, the less you eat fast food and make unhealthy choices. When you cook your own food, you can choose to make healthy dishes.
