# What do you usually use your computer for?

## I usually use it to...

The image shows the login interface for 126.com (NetEase Mail). At the top left is a green circular icon with a white downward arrow, followed by the text '登录126网易邮箱'. To the right is a decorative illustration for the Mid-Autumn Festival (中秋节) featuring a moon, a cake, and a lantern. The login form includes a '用户名' (Username) field with a yellow background, followed by '@126.com'. Below this is a '密码' (Password) field with a light green background, and a link for '忘记密码?' (Forgot password?). There is also a '版本' (Version) dropdown menu currently set to '默认' (Default). At the bottom, there are two checkboxes: '两周内自动登录' (Auto login within two weeks) which is unchecked, and 'SSL安全登录' (SSL secure login) which is checked. A large green '登录' (Login) button is at the bottom.
