Explore Central Park, one of the largest city parks in the world and one of the most famous symbols of New York. Let's have a look at its main sights.

Central Park is New York's largest city park and one of the biggest in the world, with an area of 843 acres. This park is home to man-made lakes, waterfalls, grass and wooded areas. You will also find the Central Park Zoo, among other attractions in this green space of New York.

Besides being the city's primary green lungs, Central Park is also a favorite spot for many New Yorkers. It is perfect for sunbathing, going for walks, or doing outdoor sports. Something that we found curious is seeing so many people running with their babies in prams (婴儿车).

#### **On Foot or By Bicycle**

To get to know some of the wildest parts of Central Park, we suggest walking. However, to get a general feel
