

Unit 3 What Will You Do This Summer

Lesson 17 Summer Is Coming

沽源县第五小学 王晓庆

let's review

winter

cold and snowy

Think nature!!

Green houses and public awareness should be an
concerned with the protection of the environment.

warm and rainy

编号：321664 红动中国 (www.redocn.com) Mickeywu

spring

hot and sunny

summer

A dirt road lined with trees in autumn, with a wooden fence on the left and a field in the background.

cool and windy

fall

let's learn.

Let's listen.

In winter many trees **don't have** any **leaves**.

In spring trees **have** new **leaves**.

In summer trees have **cool, green leaves**.

In fall the trees **lose** their **leaves**.

Let's play.

**Let's act what I like to
do and guess.**

Jenny's summer fun

Li Ming 's summer fun
