...es directly correlate to the quality of our model selections. Each model's respective ...er page and is symbolized by the number of diamonds on her page. Beginning with ...er availability beyond \$2,100 or \$1,200 as six diamonds. Be sure according to ...er and expense suited by each of our models. Choosing from only the most ...er models, you'll personally find that Emperors Club is, by far, the most selective social ...er club in the region, and educational standing / career accomplishments are primary ...er decision factors. Each model's character, personality, ability to create desirable atmospheres, interests, family ...er background and a personal license must be deemed suitable. Initial rates have been established based on the above criteria. With time, promotion, if any, to higher category [see] is considered and based upon our expanded knowledge of the model's character and the grace with which she handles public relations / interactions. It is advised to schedule your date with our models in advance, as each model has placed in her schedule for a select number of meetings per month due to her university / career commitments. National and international travel arrangements require at least 60 days notice and a minimum 10% deposit. We recognize the importance of emergency connections, flexibility and comfort over when traveling together / attending social events, hence, help introductions are offered to ensure confidence / value prior to committing to travel dates and social engagements with any specific model. Such preliminary meetings make for smoother dating and travel experiences.
