Let's complete

Michael: Are you coming to the meeting this afternoon?

Susan: What meeting?

Michael: It's about environmental protection. More **ways** **should**

(1) be found (find), so that **the world**

(2) will be saved (save) **in the future.**

Susan: I agree. I think the environmental **problems**

(3) were not taken (not take) seriously **in the past,**

and a lot of people still don't think it enough.

Michael: Yes, you're right. For example, look at all the lights that (4) are left (leave) on all the time !

Susan: And a lot of water (5) is wasted (waste) every day, just in our houses.

Michael: Exactly! These are all important things, but there is much more to do! Look around you. Why (6) is so much paper thrown away (throw away)? Put it in the special box, so that it (7) will be recycled (recycle)!

Susan: Oh, dear. I left my computer on all day today! Yes, I'm coming to the meeting, Michael ...

Let's review
