二、完型填空（共 10 小题，每小题 1 分，计 10 分）

On the first day of this school year, I noticed

a boy sitting in the back of my classroom. I began to spend lots of time 16 him. He never smiled or talked with his classmates. He was always quiet even if his classmates 17 him funny jokes. I went to his third-grade teacher and she said, “Yes, that’s John. He is always that way all year.” All the class knew he was still like before, 18 I didn’t want him to be like that this year.

One day this February, when I was 19 the classroom, I had a look at him suddenly and he smiled at me for the first time! I was so 20 but happy! I stood there for a moment, went over to him and put my 21 around him. He didn’t reply to the hug, but he smiled! The first change that I’d seen all year! He was 22 a little more while he was with his classmates. And the biggest thing was that he developed a good relationship with me. A few minutes after “the smile”, I 23 and found him cleaning the classroom. He said in a very shy 24, “I want to help you.”

I was sick last week and when I was in hospital, he sent me a card which said, “Miss King, the best teacher in the whole world, I hope you feel 25 soon.” Seeing that little card, I knew why I loved what I was doing.

(B) In 1826, a Frenchman named Niepce needed pictures for his business. But he was not a good artist. So he invented a very simple camera (照相机). He put it in a window of his house and took a picture of his garden. That was the first photo.

The next important date in the history of photography (摄影术) was in 1837. That year, Daguerre, another Frenchman, took a picture of his reading room. He used a new kind of camera in a different way. In his picture you could see everything very clearly, even the smallest thing. This kind of photo was called a Daguerreotype. Soon, other people
