The European Towns and Cities That Are Magical at Christmas

Hallstatt, Austria

The town of Hallstatt and its beautiful landscape enjoy UNESCO protection. The old townhouses, tiny lanes and snow make this the ultimate destination forgetting into the festive mood. The larger Municipality Cave is home to one of the largest indoor Christmas markets in Europe.

Wroclaw, Poland

Wroclaw is regarded as one of Poland's most beautiful cities, but it takes things to another level at Christmas. The city's Christmas market is home to over 250 stalls and a superb fair. The architecture here captures the Christmas feeling too, with Gothic structures meaning everyone can tap into the special feeling that only comes round at this time of year.
