

2010-2023 历年江苏大丰实验初级中学九年 级月考英语试卷（带解析）

第 1 卷

一. 参考题库(共 25 题)

1. Dear daughter

You are a wonderful person and your mother and I love you. It will not be long before you leave school to make your way in the world. Can I give you some friendly advice? Here are some things that you should never do.

1. Never get upset with your looks.

We think you look great. Please be happy with the person you are and the body you have. Eat well, take exercise and be healthy. Some girls become upset because they try to lose weight or get the perfect shape. You look fine.

2. Never spend money more than your income (收入).

Never spend money more than your income and save a little every month. Don't borrow others' money if possible.

3. Never look down on yourself.

You are great at achieving great things so believe in yourself. When things go badly, never stop believing. Some girls get upset and lose confidence (自信), and then all kinds of problems can follow.

4. Never forget that your parents love you.

Whatever happens in life, your family will still be your family. Whatever difficulties you have, you can always talk to us and we will try to help. We are here for you.

3.An old man was going home late one night with his horse and cart after a day's hard work. When he was not far from his house, the light on the cart went out. He tried but could not mend it.

He was near his home, and so he went along the road without a light. When a policeman saw this, he stopped the old carter.

"Where's your light?" asked the policeman. "No one may take a cart along a road at night without a light. You know that. You've broken the law.

"I had a light, " said the old man, "but it has just gone out."

"I don't believe that story, " said the policeman. He took out a book and got ready to write. "What's your name and where do you live?" he asked.

"Please don't take my name, " said the old man. "My house is just there. You can see it from here. I had a light nearly the whole way. I haven't come far without a light."

"You came all the way without a light. What's your name?"

The carter quickly took the policeman's hand and put it down on the top of the light. The light was still hot, and burnt the policeman's hand. He jumped and he was very angry.

"Now, what do you think?" said the carter. "Did I come all the way without a light?"

In May, 1976, Jane was a nine-year-old girl and lived in North Wales. One day, on her way home from school, she saw a silver(银色的) object(物体) in a field not far from her home. The object looked like a big saucer.

Jane was very scared (害怕). She stayed in the tall grass and watched the door of the strange object open. She saw two aliens (外星人) wearing silver suits get out. Then they used something to examine the ground. They were short and had pink eyes. After about thirty minutes, the two aliens went back into the object. Then it took off.

When Jane got home, she told her mother about this unusual experience, but her family decided to keep quiet about it. They didn't want others to laugh at their daughter.
