Sivert Klefsaas is the youngest of Lorna Gold-strand Klefsaas' four children, and his three older sisters all used social media growing up. It was influencing their feelings, as well as their friendships. I live in a flat with two bedrooms.I have electricity to cook meals and charge (给……充电) my mobile phone.I can walk to the supermarket nearby to buy meat,fruit,vegetables and so on.How comfortable my life is!

However,I always expect something different.What will life be like without all the modern conveniences?Last Friday,I got a chance to get the answer to this question.

My cousin Jack has a treehouse at the top of a hill in Colorado.Staying in that treehouse is like going back in time.There is no electricity or running water.There are only two chairs and a bed in the house.

Jack's sister Jenny cooked breakfast for us.In the morning,when I woke up,I could smell the delicious food with the morning light warming my face.I stayed there for two days.On Sunday afternoon,I had to leave the treehouse and go back home.
