When people show their homes to others, they proudly show off the different rooms, the nice furniture, the beautiful decorations and how well built the house is, but they never talk about the 36 who worked so hard to place the bricks, one upon the other, to make that house what it is today. When parents talk about their 37 children, they often talk about their jobs, their social and economic status and their degrees.

Parents 38 talk about the teachers who taught those 39 to make them what they are today. Being a 40 of English for more than five years, I have 41 one thing: if I am successful today, it has 42 the work of all my English teachers who have taught me 43 to love the ABCs and how to be patient with students. Being grateful 44 being faithful to the 45 of all the teachers who have motivated you and pushed your 46 ahead across the oceans of life, through its waves and storms and even when it 47 got stuck in the sand of a shore. My teachers, both good and bad, have done a lot of good things to me, to my mind and to my heart. Today it is 48 to remember all those bad teachers and 49 how harsh they were, but it is better to 50 that I do not have to be like them and to be aware that my students don't have to think poorly of me. Today, thinking and remembering all the good teachers who have taught me 51 me feel the great responsibility I should 52 . I hope I can be 53 than them because I want my students to see me as a(n) 54 so that they can follow suit. Parents also 55 to remember that if their kids are successful today, it is because their personality skyscraper (摩天大楼) is built upon the shoulders of their teachers.

请认真阅读下列短文,从短文后所给的 A、B、C、D 四个选项中,选出最佳选项,并在答题卡上将该项涂黑。

A

Once you start becoming more familiar with each other's ways of communicating, you will be able to work better as a team, and make the best of your relationship. The first step in achieving better communication is to take a look at yourself first. People always tend to blame others first when things are not running as smoothly in the relationship as they would like to see, and to start pointing out what the friend is or is not doing. It's important to take responsibility for anything that might be your own fault before you start pointing fingers. Communication is not about who is right or wrong, but about helping each other, and avoiding misunderstandings. Believe it or not, it's very common for people to focus on
