Frequently Asked Questions for Yellowstone National Park

How much is the entrance fee?

\$85-Private, non-commercial vehicle; \$30-Motorcycle or snowmobile (winter);

\$20-Visitors 16 and older entering by foot, bike, ski, etc.

*This fee provides the visitor with a 7-day entrance permit for both Yellowstone and Grand Teton National Parks.

Your decision may depend on how much time you have and what you want to see the most. If you plan on visiting Yellowstone National Park for only a few days and want to experience some of the main attractions then West Yellowstone would be a good base. If you want to have the full park experience then perhaps lodging (住宿) at Old Faithful would be a good choice. If you want to view the most wildlife, then we suggest the Northeast Entrance.

This depends on what your interests are. Spring has abundant wildlife, roaring waterfalls and wild weather. Summer has it all including the most crowds, so you'd better get out early and eat your breakfast on the road! Fall is a special time of year. Everything seems to be declining including the crowds. Winter is a time of being a bit of social isolation. In years past it was more "economical" to visit most of the park. Now it is more restricted unless you can afford a snow-coach or guided snowmobile tour.

Free public Wi-Fi is available at Al-bright Visitor Center and at some park lodges for registered guests. Cell service is extremely limited, with reception only available in or near major developed areas. In summer, service often reaches its limit in these areas.

Yet, it is sad to see the latest generation fade away from normal everyday activities and conversation. Get out, look around, admire the wonders. There're plenty of natural and human distractions around every corner. The last thing we want to do is distract visitors from Yellowstone's wonders especially while driving.

Where should we stay?When is the best time to visit the park?Can I get Cell and

Wi-Fi?1. How much is the entrance fee in total if Jeffery makes a self-driving trip to Yellowstone

with his father and his 14-year-old daughter during the winter vacation?

- A. \$50 B. \$85 C. \$105 D. \$125

2. The underlined sentence implies that_.

- A. most of the park was restricted to visitors in winter in the past
B. visiting Yellowstone in winter is preferred by most local people
C. winter used to be the best time to visit the park in terms of expenses
D. nowadays most people choose to tour the park on a snow-coach in winter

3. We can learn from the passage that_.

- A. the wireless connection is not satisfactory
B. Old Faithful provides a full view of the park
C. the entrance ticket applies to Yellowstone only
D. younger generations make up the majority of park visitors

【答案】1. B 2. A 3. A

【导语】本文是一篇应用文。文章回答了几个关于黄石国家公园旅游的问题。

1. 细节理解题。根据 How much is the entrance fee?部分中“\$85-Private, non-commercial vehicle (\$85-私人、非商业车辆)”可知，杰弗瑞在寒假期间与父亲和女儿自驾游黄石公园需要支付私家车入场费 85 美元。故选 B 项。

2. 词句猜测题。根据划线句中“In years past”和下文“Now”可推知，上下文描述了过去和现在的情况，结合下文“Now it is more restricted unless you can afford a snow-coach or guided snowmobile tour. (现在的限制更多了，除非你能负担得起雪上马车或有导游的雪上摩托之旅)”中“more restricted”可推知，上下文比较了冬季游黄石公园受到限制的情况，所以，划线句中“In years past it was more ‘economical’ to visit most of the park.”是指过去在冬季游黄石公园，大部分地方都是受到限制的，而现在限制更多了。故选 A 项。

3. 细节理解题。根据 Can I get Cell and Wi-Fi?部分中“Free public Wi-Fi is available at Al-bright Visitor Center and at some park lodges for registered guests. Cell service is extremely limited, with reception only available in or near major developed areas. In summer, service often reaches its limit in these areas.”

(阿尔布赖特游客中心和部分公园小屋为已登记的客人提供免费公共 Wi-Fi。手机服务非常有限，只有在主要开发地区或附近才能接收到信号。在夏季，这些地区的服务常常达到极限)”可知，公园里的无线信号差强人意。故选 A 项。
