五、阅读理解（30 分）

14、In front of Aunt Rabbit's house, there were five apple trees. She was nice to her friends. She always asked her friends to have her apples.

One day, a little monkey Tony went there. Aunt Rabbit said to him, "Little Monkey, come and have an apple!" Tony was happy because he liked apples very much. He went up the trees and got many apples down. He ate very fast. How delicious!

The next day, Tony came again. "Aunt Rabbit, my grandma is ill. She wants to eat some apples. Could you give me some?"

"Sure! There is a bag of apples. Here you are!" she said.

"Thank you," Tony said happily (开心地). But after he went out of Aunt Rabbit's home, he ate up all the apples.

After two days, Aunt Rabbit went to ask for her bag. On the way, she found some apple pits (核). "Tony cheats (欺骗) me!" she thought. Then, she took them to Tony's home.

After seeing them, Tony's face turned (变) red and he said, "_____".

"That's OK. You are still welcome to my home," said Aunt Rabbit happily.

1. Aunt Rabbit was _____ to her friends.

- | | | | |
|---------|-----------|----------|--------------|
| A. nice | B. strict | C. funny | D. important |
|---------|-----------|----------|--------------|

2. What does the underlined word "them" refer to (指代)?
