Notes: *Speaker One G. convenient for staff to travel to*

Man: We're a small firm that manufactures machine parts, and we wanted to expand. There was no space on our old site, so we realised we'd have to move to a different town. We had well-qualified staff who would have no difficulty getting other jobs without having to move home, and we needed to keep nearly all of them.

Notes: *Speaker One G. convenient for staff to travel to*

Man: ... So that meant looking for premises in towns that were within easy reach for most of the workforce. We found somewhere suitable, ...

Notes: *Speaker One*

Man: ... but within a very short time, several major employers moved to the area, and, as a result, rents rocketed. This was before
