Part 1

Reading comprehension

第一步 速读课文 理清脉络

Activity 1 What does the text mainly tell us? **D**

A.It is important to help other countries to develop.

B.It is necessary to build a community with a shared future.

C.It is proud of Zhan Bingbing to be a volunteer.

D.It is worthwhile to help others as a volunteer.

Activity 2 Skimming for the main structure

Is it 1. worthwhile to help people overseas while we are still in need of development in many areas?

- My mother is a doctor and has 2. volunteered in Tanzania for the last two years.
- As I have very close 3. bonds with my mother, I felt unhappy when she first 4. left for Africa.

However, when I knew how 5. terrible the living and medical conditions are there and what my mother is doing, I 6. changed my mind.

- I think 7. what my mother and others are doing is worthwhile.
- We are global citizens and should be 8. responsible for others.
- I am proud of my mother and I have decided to be a 9. volunteer myself.
- I 10. pray that you will do the same.

第二步 精读课文 领悟细节

Activity 3 Read the text carefully and choose the best answer.

1. Why did some people and Bingbing doubt what Chinese people do to help others overseas?

A. They think foreign countries are developed countries while China is a developing country.

B. They think foreign countries don't need China's little help.

C. They think Chinese efforts are meaningless because we get nothing in return.

D. They think Chinese efforts are worthless because China is still in need of development.

2. What was Bingbing's mood when her mother first left for Africa?

3. What is the situation in Tanzania?

A. The country has few health problems.

B. Many dangerous diseases are rare in Tanzania.

C. The country is quite beautiful and many of the people are quite rich.

D. Some Tanzanians with a heart condition even died without medical treatment.

4. What's Bingbing's attitude towards her mother's work as a volunteer in the end?

A. Disapproving.

B. Bored.

C. Favorable.

D. Worried.

Activity 4 思考分享 提升思维

1. What kind of aid do you know China provided for other countries? Please give an example.

The answer is open.

2. If you have the chance, will you go to a less developed country such as Tanzania to do volunteering work? Why?

The answer is open.

Activity 5 诵读佳句 学练写作

1. Read the passage carefully and find the sentences describing Tanzania.

(1) And, while the country is quite beautiful and has much natural wealth, many of the people are quite poor and live without things we take for granted, such as electricity, running water, cars and good transport systems, and supermarkets.

(2) Prior to this, if a Tanzanian had a heart condition and needed surgery, they would have to go abroad.

2. Read the passage carefully and find the sentences describing the work of Zhan Bingbing's mother.

(1) You see, my mother is a medical doctor, and for the last two years, she has been working as a volunteer consultant in Tanzania, Africa, as a part of a medical team sent by the Chinese government.

(2) My mother also does a circuit of the rural villages to provide medical treatment, help those with disabilities, and provide consultation and training for local doctors.

第三步 深读课文 融会提能

Activity 6 课文语篇填空

My name is Zhan Bingbing. Lately, all of us 1. have seen (see) Chinese people on TV in far-off places in the world, 2. helping (help) other countries to develop. But why help people overseas when China has many areas that are still in need 3. of development?

My mother 4. was sent (send) as well to Tanzania, Africa two years ago. To be honest, I was unhappy. But now I have learned about her work in Tanzania, a country 5. where there are many health problems and many people live without things we take for 6. granted (grant). In the past they went without medical 7. treatment (treat) and some even died. Now Chinese medical team has made 8. a big difference to their lives. My mother also does a circuit of the rural villages 9. to provide (provide) consultation and training for local doctors.

Today, I am 10. supportive (support) of my mother's work. By any criteria this work is worth it.
