范文: Generation gap between parents and children

Nowadays , there are more and more misunderstanding between parents and children which is so-called generation gap . It is estimated that (75 percentages of parents often complain their children' s unreasonable behavior while children usually think their parents too old fashioned).

Why have there been so much misunderstanding between parents and children? Maybe the reasons can be listed as follows .

The first one is that (the two generations, having grown up at different times, have different likes and dislikes , thus the disagreement often rises between them) . Besides (due to having little in common to talk about , they are not willing to sit face to face) . The third reason is (with the pace of modern life becoming faster and faster , both of them are so busy with their work or study that they don' t spare enough time to exchange ideas). To sum up , the main cause of XX is due to (lake of communication and understanding each other) .

It is high time that something were done upon it. For one thing (children should respect their parents). On the other hand ,

(parents also should show solicitude for their children). All these measures will certainly bridge the generation gap .

范文: The importance of self-confidence

Currently, self-confidence has been the order of the day . This does demonstrate the theory --- nothing is more valuable than self-confidence.

It is clear that (self-confidence means trust in one' s abilities). If you (are full of self-confidence , it will bring your creative power to play , arouse your enthusiasm for work, and help you overcome difficulties), as a result , your dreams will come true . On the contrary, if you (have no confidence in yourself, there is little possibility that you would ever achieve

anything). Failure will be following with you. It turns out that all your plan falls through .

No one can deny another fact that (self-confidence gives you light when you are in dark and encouragement when you are dismayed) . You don't have to look very far to find out the truth , in respect that we all know (the secret of MMe.Curie lies in preserverence and self-confidence, the latter in particular) .

It will exert a profound influence upon (the achievement of one' s ambitions). With reference to my standpoint , I think (he that can have self-confidence can have what he will).
