Friday 10 October

It's a sunny and pleasant day. I was tidying my room this morning and found an old 21 in a notebook. As I was looking at it, the 22 memory of that day came back to me.

It was my mother's 23 birthday ten years ago, and I decided to surprise her with home-made scrambled eggs. I woke up really early and walked to the 24 quietly. I had never cooked anything before, so I tried to copy how 25 did it. But somehow they ended up burnt.

I was about to throw everything away when my mother 26. I showed her the eggs and 27 explained what happened. To my surprise, she tasted them and said they weren't bad! I guess 28 is indeed a magical ingredient. 29 we took this wonderful photo, laughing and ate them all.

This weekend is her 45th birthday. I'll make her scrambled eggs 30. This time, they won't be burnt!
