Module 1 Feelings and impressions

composition: 写信给笔友，介绍自己的情况，表达感受（感官动词）

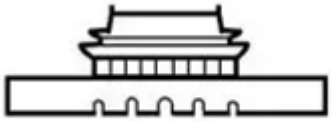

It's great to know you. Let me tell you something about myself.

My name is Li Ping, a fourteen-year-old Chinese girl. I'm quite tall with long hair. I'm glad we have some common hobbies. I spend a lot of time learning music. I enjoy sports as well, especially badminton. I'm poor at English. It's difficult for me to learn English. But I don't feel nervous when I face difficulties.

I want to make friends with you, and I believe we can learn from each other. Also, I welcome you to China. I'll be with you and help you with your Chinese at that time.

Looking forward to hearing from you soon.

Module 3 Journey to space

composition: 太空旅行，对未来太空生活的畅想

Our school organized a great trip to Mars in the year of 2050. We went to Mars by spaceship. It took us several weeks to travel to Mars.

On Mars we visited everywhere. We found a lot of things which are different from those on the earth. The car could drive by itself. The environment there was very beautiful, and there were many tall buildings. We thought it was very happy to live on Mars. We also had a party. Many students sang songs and danced together. Finally, we made a telephone call with aliens.

We all had a good time during the trip. The trip was very interesting and I'll never forget it.
