Dear Peter, You asked me about places to visit and things to do in our town. Now let me tell you something about them. The Downtown Mall is always fun. It's a shopping center in the oldest part of the town. There are some good stores and restaurants there. For example, Andrea's Booty is in the Downtown Mall. It's a fun place to shop. And it has the best clothes. My favourite restaurant in town is Sam's Cafe. It is near my home. I often go there on foot. It's cheap and the hamburgers there are great. I also like Modern City Restaurant. You can get wonderful noodles there and the beef noodles are the most delicious. Also, you must try the dumplings there. But they're more expensive than those in Sam's Cafe. The City Cinema is the best cinema. It has the biggest screens and the most comfortable seats. I often go there with my friends on weekends. We have a good time there every time. The Del Ray is a good place to go to the movies too, because the tickets there are the cheapest. There are many things to do and to see and join us

The 40th Harbin International Ice and Snow Festival opens on January 5 in Harbin, the capital city of China's northernmost Heilongjiang Province. Harbin Ice Festival started in 1985. Every year it is held (举办) from January to February. The heavy snow makes the city special. Colourful celebrations also bring in thousands of "little potatoes from the south".

The Ice and Snow Festival is a citywide celebration that takes place in the city of Harbin. Some of the most popular places include Sun Island, Songhua River, Stalin Park, Zhaolin Park and the Ice and Snow World.

Zhaolin Park, is a “must see” during the Harbin International Ice and Snow Festival because it has a traditional program (传统节目) that shows the most wonderful ice lanterns. There are numerous pieces of ice artworks in the park. A great different kinds of things such as buildings, gardens, flowers, waterfalls, European-styled churches, lions, tigers, dragons are made from ice. In the daytime, the ice sculptures (冰雕) are wonderful and lifelike. Moreover, with the shining colored lights put in the sculptures at night, the park becomes a glorious and amazing ice world.

The Ice and Snow World is the main place of Harbin International Ice and Snow Festival. It is the largest ice and snow amusement park in the world with an area of over 600,000 square meters.

The Harbin Metro (地铁) is running longer hours to meet the needs of more tourists (游客). People can travel between the stations of the Sun Island and the Ice and Snow World for free. This makes it easier for tourists to go to the two main interesting places.

Taking a walk among those bright and glittery ice towers is really mind-blowing and unforgettable!

Are tablets (平板电脑) good for children

Tablets for Study

In some schools, children use tablets in the classroom. They read, write and listen with them in the classroom. "Tablets are important," say the children. "They help us learn. They are convenient (便利) to use."

Tablets for Games

Many children play games on their tablets, "We like games," say the children. "They're fun. But we can play only at the weekend."

Tablets for Music

Tablets are good for music, too. "We bring (带) our tablets to music lessons," says Alice. "We listen to music and we learn new songs with them! I like to use tablets."

Tablets for Talking

You can also talk to people with a tablet. "We talk to Grandma and Grandpa on Fridays," says Paul. "They live in Australia. There is a

camera on the tablet, so we can see our grandparents, too.”

For students, tablets are good because they are good partners (伙伴) for them. But many parents think tablets aren't good for children, because children shouldn't (不应该) stay at home with their tablets. Children should go out and play with other children.

1. What do children do with tablets in the classroom (no more than 5 words)
