## Student Health Services Need Improvement

The situation at the health center is unacceptable: you sit in a crowded waiting room for hours waiting to get treatment for minor ailments. Then when it's your turn, you get about three minutes with an overworked doctor. I have two suggestions first, the health center needs to hire more doctors so that each patient receives quality treatment. And as far as the wait time issue is concerned, the health center is currently open only Monday through Fridays, which means that people who get sick over the weekend wait until the following week to get treatment So, opening the health center on weekends should solve that problem too.

Sincerely,

Megan Finch
