大家下午好,下面我想谈一下油画艺术!

油画是视觉艺术的主要表现手法之一,它产生于14世纪至16世纪的欧洲。经过500多年的发展,到近代已成为世界性的重要画种之一。有人将油画称为“国际艺术语言”,因为它具有非凡的表现力及艺术感染力。由于经历了不同的历史时期,受到了不同民族文化的影响,油画艺术呈现出各种各样的面貌。

Good afternoon! Now I'd like to talk about the art of oil painting.

Oil painting , first appeared in Europe in 14th-16th centuries, is one of the major expressive techniques of visual arts. After 500 years of development, it has become one of the most important international paintings in modern times. Some call oil painting “an international language of art” because of its extraordinary expressiveness and artistic appeal. Having gone through different historical periods and been under the influence of different cultures, the art of oil painting takes various forms.
