From: Mr. Jones
Subject: Photography (摄影) club
Dear students, As your art teacher, I want to start an after-school photography club for students who like taking photos. Would you like to join us? We can either have classes in my classroom or use a room in the library. Which would you like? Also, we need to make some rules for the club. What do you think is important? Why? To take photos outside, where can we go? Please write to me soon. Mr. Jones

To: Mr. Jones
Dear Mr. Jones, _____ _____ _____ _____ _____ _____
Yours, Li Ping

【答案】例文：

Dear Mr. Jones,

First of all, I want to thank you for starting the photography club. I think there must be many students attending the club.

I have many hobbies. Photography is my favorite. Because I believe that photography can keep beautiful moments around us. Whenever I go out to play, I like to take photos. I like to take photos with a camera because the photos taken with the camera are clearer and have better colors than those taken with a phone.

I want to have class in the classroom because we can discuss loudly, while in the library we need to keep

quiet. As for the rules, each of us should have our own equipment and take at least three photos every week. We cannot eat in the classroom because it will dirty our works. If we go outside to shoot, we can go to the park because there are flowers, grass, and beautiful scenery there.

If I join this club, I will study hard.

Yours,
Li Ping
