

Unit 5 Lesson 30

Hi Wang Mei,

How are you? Everyone here is fine.

Do you want to surprise your 1. friends (friend)? Brian, Danny and I did 2. an experiment in science class this week. I suggest you try it, too! 3. First (one), get a jar full of water and a piece of cardboard. Cover the jar with the cardboard 4. and turn the jar over. Next, take 5. your (you) hand off. Can you guess what 6. happens (happen)? The cardboard holds the water 7. in the jar! The air pressure pushing up on the cardboard is 8. higher (high) than that of the water pushing down from inside the jar. The higher air pressure outside the jar holds the cardboard in place.

Science is 9. interesting (interest). Don't you think so?

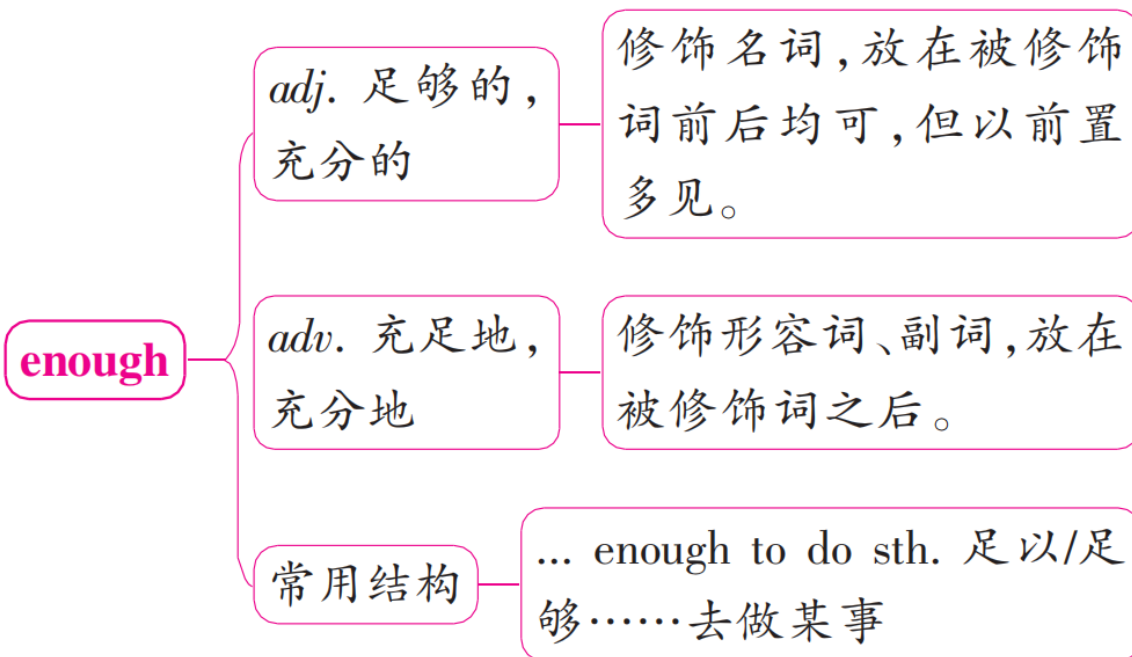

Jenny
